

Program Description:

Stay up-to-date with emerging trends and regulations in human resources. Whether you are a seasoned human resource professional or you are just entering the field, UNLV has courses to expand your understanding of current, relevant issues. Course offerings will provide you with tools needed to demonstrate a broad understanding of HR disciplines including benefits, compensation, organizational and employee development, diversity, employee relations, and staff management. Courses are developed through consultation with human resource management professionals, human resource consultants, and business leaders.

Prerequisites and Admissions Requirements:

High School Diploma or GED

Program Learning Outcomes:

- Students will be able to define human resource management and explain the roles and responsibilities of human resource professionals.
- Students will be able to explain the key provisions of legislation that affects HR employment Law activities.
- Students will be able to evaluate recruitment methods and their effectiveness in addition to understanding the interview and selection process.
- Students will be able to explain the basic elements of a compensation system and benefits commonly offered by employers.
- Students will be able to explain training strategies, professional development tools and the evaluation process for employee development.
- Students will be able to identify best practices using performance management techniques to evaluate and discipline employees.
